Abraham Ascher is Distinguished Professor of History at the Graduate School of the City University of New York. A highly respected scholar, he is the recipient of numerous awards, and the author of more than thirty articles and seven books, including The Russian Revolution: A Beginner's Guide and Stalin: A Beginner's Guide (both Oneworld).

Russia: A Short History by Abraham Ascher, Paperback ...

This is a concise history of the Revolution of 1905, a critical juncture in the history of Russia when several possible paths were opened up for the country. By the end of that year, virtually every social group had become active in the opposition to the autocracy, which was on the verge of collapse. Only the promise of reform, in particular the formation of a parliament (Duma) that would ...

The Revolution of 1905: A Short History | Abraham Ascher

This concise and informative volume covers the entire sweep of Russian history, from the earliest settlers to the state of this complex country at the end of the 20th century. It pays particular attention to the events of the last 300 years, beginning with the reign of Peter the Great, before continuing to chart the development of economic, social and political institutions right up to the ...
