"The goal of reading ladders," writes Teri Lesesne, "is to slowly move students from where they are to where we would like them to be." With reading ladders you start with the authors, genres, or subjects your readers like then connect them to book after book—each a little more complex or challenging than the last. Teri not only shares ready-to ...

According to Susan L. Groenke and Lisa Scherff (Teaching YA Lit through Differentiated Instruction, NCTE, 2010), "Reading ladders are sets of related books (by genre, by theme, etc.) that can be grouped by age level or by increasing level of difficulty to serve students' needs and interests" (p. 132). The concept is developed further by Teri Lesesne in Reading Ladders: Leading Students from ...

### **Reading Ladders - ENGL 382: Adolescent Literature**

A Reading Ladder is simply a piece of explanatory writing where students rank the books they've read according to complexity, reflect on their reading habits, and make plans for future growth. When teachers question how to hold students accountable to choice reading, this piece of writing is probably my favorite response.
