" Rozalyn" is the debut novel from new author, Shan. To say this book had me from the beginning is an understatement! This is the story of a young girl named Rozalyn who just can't seem to catch a break in life. With two parents who don't want her she depends on herself. That is until she meets Tamar.

review 1: 4.5 actually! Really good urban tale of 3 childhood friends and the bad decisions they chose both with their lives and the men in them. Men say bros over hoes but women usually choose sisters over misters.
