Dec 19, 2011 rated it really liked it. Brina Courtney's debut novel Reveal (Cryptid Tales) is a wonderful YA read that will appeal to a larger audience. REVEAL (CRYPTID TALES #1) by Brina Courtney_Review

Reveal is the first in Brina Courtney's Cryptid Tales series and tells about a person who has animal genes mixed with human genes, and have animal-like traits as a result. Shay, the main character of the book, has the ability to speak to ghosts ever since she was little and it reminds me much of Angel Lawson's Wraith trilogy.

Reveal was an absolutely brilliant book to read. I really liked Shay and her ability to talk and see ghosts especially Jeremy who seemed to grown up literally with her. When she meets Hugh in person after seeing him a few times around and totally crushing on her she couldn't believe her luck but who knew that he was like her.
