Racing Through the Dark: The Fall and Rise of David Millar ...

Racing through the Dark: The Fall and Rise of David Millar is a sporting masterpiece, a timeless snapshot of a sportsman plummeting the depths and miraculously bouncing back both as a rider and a man. Like the very worst alpine climbs there were plenty of false finishes but Millar made across the finishing line in the end.

Book review: Racing through the Dark: The Fall and Rise of ...

review 1: Millar is unusual; he is an intelligent and cosmopolitan cyclist. Personally I was very disappointed when he was caught doping but I now have a better understanding of the reasons. I hope Millar and his book helps the cycle sport along the road to a drug free future, for the sake of the sport and the health of the participants.
