Reflex Jumper 2 Steven Gould

Reflex is a sequel to the book Jumper and it picks up right where Jumper left off. The two main characters come up against a new unknown threat with a lot of intrigue. There were some great twists and clever solutions to big problems. Writing about a 3-dimensional jumper world is difficult and Steven Gould did a great job of pulling me through it.

Steven Gould wrote a sequel to the original book called Reflex, which we can probably assume would be the basis for the second movie as well. Although I wasn't particularly impressed with Jumper, I maintain that the actual concept behind the movie is very cool, and I'd be interested in seeing Doug Liman have another shot to get things right.
