If you're talking about math curriculum in home school circles, chances are you've already heard of Saxon Math. It's been around for over twenty years and is a well-established and generally respected curriculum. Most of us who work at Exodus have used Saxon at one time or another, and we've been selling it since 1994.

Saxon Math - Exodus Books

Saxon Math has consistently been one of homeschoolers' top choices when it comes to math curriculum. Saxon's incremental approach to education has been proven to be one of the most effective teaching methods; learning pieces of information in small amounts, and then continually repeating concepts keeps information fresh and active in one's mind, preventing once-learned information from ...
