Wind was stirring about the world. It blew against his windows, but at first so faintly that he hardly noticed it.

### **Sand - American Literature**

The sand was shifting. The concentration of his mind incessantly upon them removed it grain by grain and speck by speck. Tips of the smothered thing emerged. Presently a subsidence would follow with a rush and light would blaze upon its skeleton. He felt it stirring underneath his feet — this flowing movement of light, dry, heaped-up sand.
