PUBLIC SEX. Little is known about public sex between men or between women in the colonial and antebellum periods, but as U.S. cities began to increase in population and complexity in the late nineteenth century, public and semipublic spaces became important to the sexual cultures of LGBT people.

Public Sex | Encyclopedia.com

A brief cultural history of sex. But we know that there was a strong culture of female prostitution, with the most successful courtesans often wielding power and wealth and with brothels paying a state tax on their profits. Neglected wives found ways to satisfy their desires. Lesbians (called tribades) certainly existed,...
