High School — Statistics and Probability : 84 . Notes on Courses and Transitions 89 Glossary 90 Sample of Works Consulted 96. New Jersey Student Learning Standards for Mathematics. 3 school students analyze graphs of functions and solutions generated using a graphing calculator.

New Jersey Student Learning Standards for Mathematics

due to J.M. Pitman. With this method the problem is reduced to the study of the asymptotic ($t \rightarrow \infty$) behavior of a suitable diffusion process. This program, which is the main part of the paper, is carried out in Sect. 4. Finally, we prove a theorem which characterizes the tails of the probability
