When Amanda leaves, the three must reluctantly work together to figure out why. But once they start piecing together the cryptic clues that Amanda herself is leaving for them, they realize that everything they thought they knew about her is false. The more they dig, the mystery of where - and who - Amanda is deepens.

The Amanda Project Book 2: Revealed - wattpad.com

The Amanda Project 2: Revealed is awesome and will have you on the edge of your seat with each turn of the page. What's great about this book is even if you didn't read the first book (the Amanda Project: Invisible) you could easily understand what's happened before and jump straight into this book (although I do recommend that you read the first book just so you don't miss anything).
