Remodel A House Geometry Project

I like to call this post the “behind the scenes post” mostly because this is the stuff you will never see. The raised drainage platform was a necessity because the main drain (the big black one on the right in the first picture) did not have a place where we could connect the bathroom drainage to the rest of the house’s drainage.

Bathroom Remodel: Raised Drainage Platform - Fireside Dreamers

Renovation / Addition. The house in the old walnut orchard, a separate detached garage – An addition here, a pop – out there methodically designed throughout, along a new Courtyard Patio created and sheltered by a new separate Garage make this 70’s house now appear to be the original farm house rather than part of the tract built in amongst the walnut trees!
