KINETICS Practice Problems and Solutions Part II Constructed Response Thoroughly and completely answer each question on a separate piece of paper. 8. Consider the exothermic reaction between reactants A and B? $A + B \rightarrow E$ (fast)

KINETICS Practice Problems and Solutions

Earlier in Lesson 6, four kinematic equations were introduced and discussed. A useful problem-solving strategy was presented for use with these equations and two examples were given that illustrated the use of the strategy. Then, the application of the kinematic equations and the problem-solving strategy to free-fall motion was discussed and illustrated.
