Jurassic Park is an American science fiction media franchise centered on a disastrous attempt to create a theme park of cloned dinosaurs. It began in 1990 when Universal Pictures and Amblin Entertainment bought the rights to the novel by Michael Crichton before it was even published.. The book was successful, as was Steven Spielberg's 1993 film adaptation, which led to four sequels, although ...

I suppose writers have the right to kill his characters at will, but have to agree with dissappointedme. I've finished "A Dance With Dragons" (no spoilers here, so no names) and certain deaths, and particularly one, (guess many will agree with me) are very frustrating, and leave the impression that the author writes himself into a helpless situation and then kills the most important ...
