That's how the Hunted series was born, a tale of survival, scary and confusing, with unanswered questions that plague Reid until the bitter end. While this series is written for teens, I still find it frightening, nightmares of the writing of it lingering long after I completed the books.

Review: Run (The Hunted, #1) by Patti Larsen. Reid takes you by the hand and runs, and all you can do is try and keep up. Reid is portrayed in a real, gritty manner and his fear and his courage is so believable, so true to human nature – there is nothing contrived about this character. It's an awesome, nail-biting read, and Ms Larsen expertly keeps you hungering for more and more.

Review: Run (The Hunted, #1) by Patti Larsen | T.G. Ayer ...

The book is full of non-stop action. In some cases, that's a good thing but I found it to be a bit problematic for this book. It's literally all "Run. Run. Run. Run. Run." It moves the story along and keeps the reader hooked but there's nothing to "sink your teeth into." There's no meat to the story. Nothing is solved, nothing is explained.
