People who only saw the Red Dragon movie and didn't read this yet should be warned in advance that Hannibal Lecter has little more than a cameo appearance in this novel. A book that manages to be terrifying not through gore or supernatural occurrences, but simply by exploring the fractured minds of the criminally insane.

The signs weren't particularly good for Red Dragon. The previous year had seen Ridley Scott tackle Silence Of The Lambs follow up, Hannibal, with tepid results. While at the helm here was the

director of such fodder as Rush Hour 1&2, and of course Mann's take on the story is viewed as a grainy and skin itching cult classic.

### **Red Dragon Quotes by Thomas Harris - Goodreads**

It's unfair because he gives us a Lecter that is different, to be sure, but intelligent in a way that, to me, is more realistic, intriguing and ultimately frightening. Hopkins' Hannibal is so supremely horrible that he's practically supernatural at this point, not unlike Dracula or the Wolfman. I enjoy all of that too, but just on a different ...
