Blight delves deeply into the shifting meanings of death and sacrifice, Reconstruction, the romanticized South of literature, soldiers' reminiscences of battle,...

Race and Reunion: The Civil War in American Memory ...

Race and Reunion. Blacks hardly entered into Buck's account, but they are at the center of David W. Blight's analysis in Race and Reunion: The Civil War in American Memory. He uses articles in the black press and statements by black spokesmen to show how radically white and black views of the war diverged over the half-century.

Race and Reunion Summary - eNotes.com

The book, Race and Reunion: The Civil War in American Memory, by David Blight, characterizes America's memory of the Civil War conflict. Blight establishes the battle for reform between Northerners and Southerners differences in beliefs.

Race And Reunion : The Civil War - 1665 Words | Cram

Race and Reunion. No historical event has left as deep an imprint on America's collective memory as the Civil War. In the war's aftermath, Americans had to embrace and cast off a traumatic past. David Blight explores the perilous path of remembering and forgetting, and reveals its tragic costs to race relations and America's national reunion.

Race and Reunion - David W. BLIGHT - Google Books

Race and Reunion: The Civil War in American Memory. In May 1865 African American troops marched toward Smithfield, North Carolina. When they came to the Neuse River at the edge of town, they found the bridge burned. Local white women watched these black soldiers from windows, doorways, and yards.

26. Race and Reunion: The Civil War in American Memory

The theme of race and reunion had become a competition for memories with vastly different aspirations between the north and the south. Striving for a reunion, a majority of American white communities close obscure the civil war racial narrative would only fade. In race and reunion: The Civil War in ...

Race And Reunion : The Civil War - 1581 Words | Bartleby

Race and Reunion: The Civil War in American Memory. Slavery had little to do with causing the war, in this version of history, and reconciliation of the two sections that had fought a "brothers' war" was a more important consequence than the abolition of slavery. In 1888, only four years after his plea for a memory of causes and consequences,...

Project MUSE - Race and Reunion: The Civil War in American ...

Clearly, the Civil War is not over. In "Race and Reunion," David W. Blight demonstrates that as soon as the guns fell silent, debate over how to remember the Civil War began. In recent years, the study of historical memory has become something of a scholarly cottage industry.

Selective Memory

In Race and Reunion, David W. Blight reminds us that the cause of the Civil War was slavery, and that its most important consequence was freedom. Blight's book should be required reading for a national dialogue about slavery, race, the Civil War, and the relevance of how Americans remember, and forget, their past.
