High School Subscriptions Annual, analagous to a site license. UT Austin's Quest Learning & Assessment tool is used by hundreds of educational institutions around the country. In an effort to recapture the costs associated with supporting the system, we charge a nominal fee to high schools with no charge to high school students. Below is a summary of the current annual high school ...

### **Overview - Quest Learning & Assessment**

Numeric answers can be submitted as an integer, decimal, or scientific notation without spaces or commas. By default, a given answer will be scored as correct if it is within 1% of the correct answer. However, this value can be changed when editing the question. The Quest system will calculate answers to at least six digits.
