Chapter 10 - The Basic Principles of Heredity. common type of gene interaction in which the presence of certain alleles of one locus can prevent or mask the expression of alleles of a different locus and express its own phenotype instead (laboradors)

Chapter 10 - The Basic Principles of Heredity Flashcards ...

Since some of the kittens are white (bb), both parents must carry the white allele (b). Since some of the kittens are black (B_), at least one parent must have a black allele (B) which in this case can only be the father. Thus the father cat must be black with the genotype Bb, which is the answer to the problem.
