"Restoration" is based on a 1989 novel by Rose Tremain, unread by me, but my guess is she covers as much ground as the movie does, since her story is titled "Restoration" and not "Merivel." What the film evokes is an age that must have been supremely interesting to live in.

Rose Tremain's Restoration is probably one of the most popular novels set in the seventeenth century, and with good reason: it's a great book. Originally published back in 1989, I was but four years old and obviously far too young to read it. That being said, it is lamentable that it took until 2015 for me to get around to reading it.
