What is the problem and solution? How did you know? Were there any words that stood out to you? My kiddos will discuss in their table groups or with neighbors and share out. Use this information to discuss the importance of hunting for these words to prove the problem and solution text structure.

What's Your Problem? Problem and Solution Text Structure

A problem is an issue that needs to be solved and the solution is how the problem is solved. For example, if I locked my keys in the car that would be a problem because I need to drive to work. One solution to that problem is to call a locksmith and have my car unlocked. As readers we need to pay close attention to problems and solutions in ...
