Public Secrets isn't one of Nora Roberts most popular books. It's not one that gets mentioned much and I know a lot of her readers don't particularly care for it. But there's something about this book that thoroughly captures me.

Public Secrets by Nora Roberts - Goodreads

I wasn't always a Nora Roberts fan until recently. I just always thought of her books as harlaquin romance. Was I wrong!! Public Secrets was a great book to read and was so dynamic! Nora incorporated many different characters in this book who each had their own story to tell even though it all centers around Emma.

Fiction Book Review: Public Secrets by Nora Roberts ...

Emma grew up a frightened, lonely child, the illegitimate result of a pop music star's secret union. When her famous father rescues her and leads her into a star-studded world of wealth and privilege, Emma realizes that she carries a frightening secret--one that someone might kill to have kept private.

Public Secrets by Nora Roberts - Fantastic Fiction

Public Secrets is a classic example of the excellent product that Nora Roberts creates when she does a full blown 400+ page novel. Like the recently published, "The Witness," and "The Collector" she writes mystery and intrigue into her stories.
