Private India What could have made this a 4 or 5-star listening experience for you? Sad to say it was all about the delivery - the narration.... What other book might you compare Private India to, and why? It's a typical James Patterson book - and I love JP's books, pretty much all of the Adult ones.

Have previously enjoyed all the Private series, especially the 'Oz' one. More familiarity I suppose. The Private India story was a bit different but equally intriguing especially trying to decide where the trail would lead and to whom. didn't see it coming until the last minute. A definite 'couldn't put it down' read.
