In an obsessively driven America focused on the utilitarian, the busy, the productive, the special mission of the Benedict XVI Institute is to open the door of Beauty to God to as many who choose to get close to Him by that door. We do this through two great strategies: providing practical resources for more beautiful sacred music and liturgy in parishes and by energizing a Catholic culture of ...

Introduction Uncovering the use of entheogens in Early Christianity has been a subject of my research for quite some time now. The more I dig, the more obvious it becomes that an entire portion of Early Christianity has been systematically deleted, especially when it comes to the use of psychoactive substances as sacraments early on [...]

In religion and folklore, Hell is an afterlife location, in which souls are subjected to punitive suffering, often torture. Religions with a linear divine history often depict hells as eternal destinations, the biggest examples of which are Christianity and Islam, whereas religions with reincarnation usually depict a hell as an intermediary period between incarnations, as is the case in the ...
