Best Answer: My 14 year old son has been in both public and private schools. There is no clear answer as to which is best; it depends on the match between the student and the school, the quality of the school, the student's needs and the parents' finances. Some children need structured learning environments ...

### **public school or private? | Yahoo Answers**

Best Answer: If your school is extremely rigorous, like my son's, even the top public school will be easier. BUT, there will likely be other issues, the environment will not be as friendly overall, and it might be quite a tough transition, depending on the school. My son went to an extremely rigorous K - 8 ...

### **Public school or private school? | Yahoo Answers**

I think it depends on the public school. Some districts don't have good public school systems and some do. My public high school is one of the top in the state and we've won awards for our academics, but if the public school you would be going to doesn't have very good academics then i wouldn't go to it.

### **private or public high school? | Yahoo Answers**

Best Answer: it depends. When looking for a school, you want to know the demographics of the students, parents, the degrees the teachers have, how long they have been teaching, location and the types of education students pursue afterwards. I lived in an inner city, and my parents sent me to private schools ...

### **public or private school? | Yahoo Answers**

Best Answer: I think public school from the start until maybe around 15. If the private school really is more academic and supportive, then they may get a better result to get into a good university. Besides, it gives them the best of both worlds. Being able to communicate with people from all different ...

### **Public school versus private school? | Yahoo Answers**

Best Answer: I attended a private Catholic Primary school in Grade 6, all my previous years were in a different public schools, I then attended Grade 7 in a different private Catholic School this time boarding, after I attended a public high school from Grades 8 to 10, currently I'm in a private ...

### **Public School Vs. Private School? | Yahoo Answers**

Yahoo Canada Answers ... Private school or public? I'm trying to decide between going to a private highschool or public. The private school is ranked one of the best in the city, but it offers no honours or AP courses. While the public school is ranked quite low, but offers Honours and AP for better students.

### **Private school or public? | Yahoo Answers**

Yahoo Canada Answers ... Some regular public schools and school districts now have their own online schooling, so they don't lose the government money (they are paid per student) to online schools in other areas. I don't know if the principal could deny you permission, I rather doubt it. The online school will likely speak to you about your ...

### **Public high school to online? | Yahoo Answers**

Best Answer: A public because I'm lame and couldn't afford private school. I would have loved to work 1 on 1 and became 100x smarter than what I am today. I love knowledge, I crave it =)

#### **Did you attend a public or private school? | Yahoo Answers**

I wanted to know what kind of clothes I should wear to public school. I know that a lot of teens wear american eagle, abercrombie and blah blah blah. But I don't really like wearing those brands. I really like shopping at free people ( which is a really expensive brand) and at ross and tj maxx. Would people think I'm weird if I don't wear those funky name brands?

#### **Public School??? Clothes? | Yahoo Answers**

Best Answer: I went to a public school and I hated it. It just seemed to me, especially as I got older into highschool, that they were more concerned with grooming us for a future we may not have wanted, rather than teaching us critical thinking skills and letting us explore our options and develop our own ...

#### **Public or Private School? | Yahoo Answers**

Yahoo New Zealand Answers ... Public schools more wild and theres more behavior problems. I go to a public school, but my community is really small. Theres around 63 kids in my graduating class and I experienced both a city school and this school which is truely just like a private school. There was more kids to get involved with and learn ...
