Wyatt lost her once, and he won't lose her again—even if he has to fight, kill, or die to save her. Review: I bought this book straight after reading my first Cindy Gerard book, Feel The Heat, as it was in the Black Op series and I wanted to read about another one of those sexy guys. Risk No Secrets was just as good as Feel The Heat!

Cindy Gerard is an auto-buy for me. I first discovered her about 5 years now at the beginning of this Black Ops series. These books are first rate romantic suspense!!! This is Wyatt Savage's story. Like the preceding 4 books, Risk No Secrets was a roller coaster ride of emotions and a can't-put-downer novel!!! Can't wait to read Doc's story!!

I loved the Bodyguard series but am finding the Black Ops series less and less interesting with each book. The action in Risk No Secrets is intense; the body count easily topped 50, mostly killed with automatic weapons fire by our "good guys."
