Pump Six and Other Stories by Paolo Bacigalupi - Goodreads

Paolo Bacigalupi's debut collection PUMP SIX AND OTHER STORIES demonstrates the power and reach of the science fiction short story. Social criticism, political parable, and environmental advocacy lie at the center of Paolo's work. Each of the stories herein is at once a warning, and a celebration of the tragic comedy of the human experience.

Pump Six and Other Stories|NOOK Book - Barnes & Noble

The excellent Pump Six, set in a polluted future world, describes the honest efforts of a worker to reactivate the city's out-of-order sewerage system by trying to fix an old machine that nobody knows how to work because no-one has been trained in engineering. For a fan of dark fiction like me, that's scarier than most horror stories.

the short review: Pump Six and Other Stories by Paolo ...

Pump Six and Other Stories is a fascinating series of short stories that look not only to the dark future that Bacigalupi conceptualizes, but it goes a level deeper, and looks at the primary cause of this future: it is one that is the making of only ourselves. There's no external alien threat that changes the world or catastrophic natural ...

REVIEW: Pump Six and Other Stories by Paolo Bacigalupi ...

Most of these stories were previously published in science fiction magazines and anthologies, but "Pump Six" is new and stands out within the collection. Given its active and thoughtful protagonist who, in the face of long odds, tries to fix one of New York's massive sewer pumps, it is a nominally hopeful story.
