Redliners David Drake

A 20th anniversary edition of REDLINERS is out from Baen July 2016 with a new introduction. Redliners is possibly the best thing I've written. It's certainly the most important thing, both to me personally and to the audience I particularly care about: the veterans, the people who've been there, wherever 'there' happened to be.

Redliners by David Drake - WebScription Ebook

David Drake's Redliners is a fascinating traditional science fiction. Initially, it seemed really brutal with the campaign against the "spooks," the Kalendru, an alien race very different from humans. But the effect of the brutal experiences Strike Force Company C41 had on Operation Active Cloak would have redlined them from further military duty.
