After reading wonderful books by Danielle Steel, I was terribly disappointed with the book. The fact that Maxine is a meticulous and organised doctor while Blake is a carefree playboy is repeated about 20 times in the book "Never judge a book by its cover" is what comes to my mind when I think about Rogue.

### **Rogue (novel) - Wikipedia**

Danielle Steele always has a good story up her sleeve, and Rogue is no exception. The only caveat is that you have to wade through the very slow beginning before the meaty stuff kicks in. Believe me, the first third of the book will put you to sleep, but as the story line picks up, you won't be able to put it down.
