Safe in his Arms is the first book by Rita Herron that i read. I really enjoyed this book and expect to read more. It's a modern day western with Texas Rangers, sheriffs, a ranch, a prison break, murder an abusive exhusband bent on revenge and a little romance and the chemistry equals Safe in His Arms.

Safe in His Arms is a great romantic suspense story. Anastasia is running from a controlling and abusive ex-boyfriend (there are no details – this is not a violent story). Thinking she covered her tracks, she ends up in a small town looking for work in Joel’s diner. Joel is an orphan who lived in foster homes a good portion of his life.
