Your first poster is to be one that shows the causes of seasons on Earth. Since many students have the wrong idea about what causes seasons (they think that they are caused by the Earth being closer to the Sun during the summer) it is very important that your poster be very accurate. Your poster will answer the question "What causes seasons". Task

### **Reason for the Seasons - Welcome to 8th Grade Science**

But all that is the reason for the season. It is all based on pagan worship, that has been brought into the church, and we have been lead to believe that Yeshua (Jesus) is the real reason. Although His birthday is not directly mentioned in the Bible, we can gather from scripture that He was born around late August early September.

**The Reasons for the Seasons**

Best Answer: - Earth's rotation is tilted relative to the plane of its revolution around the sun. This tilt is 23.4 degrees. - If you consider the earth with it's northern hemisphere tilted as far away from the sun as possible, but still with a tilt of 23.4 degrees, you notice that the southern hemisphere is tilted toward the sun in the same way. It is winter in the northern hemisphere and ...

**Why causes seasons on earth? | Yahoo Answers**

One common misconception that students have about seasons is that seasons are due to how close or far the Earth is to the sun. The changing position of the Earth's tilt is the reason for the differences in temperature and length of daylight that distinguish the seasons.
