Univar has now enhanced our Product document section by introducing "Product Document Verification" Having access to the most current manufacturer product label or SDS is a critical part of your buying process. Univar has introduced Partner Verified Documents to ensure you are receiving the most up to date document.

Professional Pest Control Products & Info from Univar

Unlike some competitive products, however, Dragnet SFR has shown that it remains effective even when only a small amount remains in the soil. Permethrin, the active ingredient in Dragnet SFR termiticide, has low volatility, so you don't have to worry about exposure to airborne residues after application.
