Horrible Science is a similar series of books to Horrible Histories, written by Nick Arnold (with the exception of Evolve or Die, which is written by Phil Gates), illustrated by Tony de Saulles and published in the UK and India by Scholastic. They are designed to get children interested in science by concentrating on the trivial, unusual, gory, or unpleasant.

Horrible Science - Wikipedia

Various aspects of the relationship between religion and science have been cited by modern historians of science and religion, philosophers, theologians, scientists, and others from various geographical regions and cultures. Even though the ancient and medieval worlds did not have conceptions resembling the modern understandings of "science" and "religion", certain elements of these modern ...
