Pro Rugby Stats: Game Analysis, Predictions : Rugby Wrap Up

In this poem, Kirkup describes a game of rugby league. The game is being played by a team of overweight, probably middle-aged men, well past their prime. They use the game to try to recapture their youth, to escape the humdrum routine of work and the marriages and lives that have become boring.

Rugby League Game - Everything about English for English Home Language Grade 12

The speaker expresses his views about a rugby league match played by middle-aged men well past their prime. He sees them as pitiable and ridiculous as they use the game to recapture their youth and escape the boring routine of their married lives. The poem satirises the importance men place on sport and men who try to regain their lost youth. Tone:

Rugby league football is a full-contact sport played by two teams of thirteen players on a rectangular field. One of the two codes of rugby, it originated in Northern England in 1895 as a split from the Rugby Football Union over the issue of payments to players. Its rules progressively changed with the aim of producing a faster, more entertaining game for spectators.
