Comprehension Beach Ball Challenge - *Throw the guided reading beach ball and wherever your thumb lands is the question you must answer. All of the questions correlate with the main topics of reading comprehension.

Readworks has free reading passages and answer keys to go ...

Take a wrecking ball, for example, which construction workers use to tear down old buildings to make room for new ones. When lying on the ground, the wrecking ball exerts the force of its own weight onto the ground. But when a crane operator lifts the wrecking ball into the air, the gravitational field between the ball and the ground changes.

Crashing, Jumping, Falling - Eccles Science

It's round, it rolls on the ground, you can throw it, you can kick it and you can hit it with something. Balls come in all sizes from a small ping pong ball to a large beach ball. Balls can be hard objects or soft and balls can be solid like a baseball or hollow like a basketball.
