Roald Dahl (1916-1990) was a British author and scriptwriter, and "the most popular writer of children's books since Enid Blyton", according to Philip Howard, the literary editor of The Times. He was raised by his Norwegian mother, who took him on annual trips to Norway, where she told him the stories of trolls and witches present in the dark Scandinavian fables.

Roald Dahl: A Biography by Jeremy Treglown is a masterful work about a gifted and often difficult writer. While this will likely burst some bubbles about what we think a children's writer must be like (as likable as the stories that children love, right?), it does not do a disservice to Dahl's life and contributions.

Roald Dahl was an English author, so the characters in this show speak in British accents. Dahl recognized that children see the world differently than adults, and that was often reflected in his writing. This story is told from Matilda's perspective, which heightens the cartoonish and sometimes frightening nature of the adults in the play.
