The Regional Math Olympiad (RMO) is a math contest in India. This page outlines the contest details and topics covered, providing relevant wikis and quizzes for training and practice. The Pre-RMO is a state level test that determines who can go on to take the RMO. Mostly the cut-off is 50%. But this year in West Bengal, it was 30 out of 80. So it depends on the difficulty level of the questions.
