Designed for business students, this text follows the project life cycle from beginning to end to demonstrate what successful project management looks like on the ground.

Project Management: A Managerial Approach, 10th Edition ...

This book was definitely informative and taught me a lot about Project Management, but visually, it was hard to get through. This sounds like something trivial, but the human mind needs to be stimulated to stay focused on a subject, and the book's bland layout and color scheme did NOT help matters!
