Left-libertarianism, also known as left-wing libertarianism, names several related yet distinct approaches to political and social theory which stress both individual freedom and social equality. In its classical usage, left-libertarianism is a synonym for anti-authoritarian varieties of left-wing politics such as libertarian socialism which includes anarchism and libertarian Marxism among others.

### **Left-libertarianism - Wikipedia**

Libertarianism (from Latin: libertas, meaning "freedom") is a collection of political philosophies and movements that uphold liberty as a core principle. Libertarians seek to maximize political freedom and autonomy, emphasizing freedom of choice, voluntary association, and individual judgment. Libertarians share a skepticism of authority and state power, but they diverge on the scope of their ...
