#### Raven by Allison van Diepen - Goodreads

Raven is one of those rare finds. It's one of those books you don't hear a lot about. So finding it-and liking it-makes it all that much better. It's a quick read, but it's a beautifully written and mesmerizing, sucking you in from page one. What stands out in this book is the writing.

### Review~ Raven by Allison van Diepen • Vivacious Bibliophile

RAVEN is not only about love, but an exploration into the afterlife. Allison van Diepen goes above and beyond to bring readers into this dance world, but I trouble connect emotionally to love between Nic and Zin. I think the reason is this book isn't just a paranormal YA romance as I'd expected.

RAVEN by Allison van Diepen was an interesting story and definitely not what I was expecting. I thought there would be more of a paranormal aspect to the story and while there was, it didnit seem to play too major of a role. The best way to describe the otherworldly elements in this book is as accessories to make the underlying relationship ...
