Lander, R for Everyone: Advanced Analytics and Graphics ...
Using the open source R language, you can build powerful statistical models to answer many of your most challenging questions. R has traditionally been difficult for non-statisticians to learn, and most R books assume far too much knowledge to be of help. R for Everyone is the solution. Drawing on his unsurpassed experience teaching new users, professional data scientist Jared P. Lander has ...

R for Everyone: Advanced Analytics and Graphics, 2nd ...
This is a solid introduction to R. Well written and lots of examples. Some of the examples point to data that no longer exists (e.g. world bank map data), but you can find other sources/samples easy enough. Few chapters assume advanced stats knowledge. As with all these types of books, the best way ...
