Python for Kids: A Playful Introduction to Pro... by ...
Python 3.0–this latest version of Python is not compatible with earlier versions, so if you have an earlier version of Python installed, then you'll need to download an older release of the book. Installing Python is a fairly straight-forward task, but there are a few wrinkles depending upon what sort of Operating System you're using.

Snake Wrangling for Kids - Learning to Program with Python
SolutionS to Programming PuzzleS Here are the solutions to the programming puzzles at the ends of the chapters. There's not always a single solution to a puzzle, so the one you've come up with may not match what you'll find here, but the examples will give you an idea of possible approaches.
